

Outreach & On-Site Activities

Learning Outside the Classroom Quality Badge Holder.

The Mobile Activity Service operates as a peripatetic outreach provision.

This provision is offered at the location which is most convenient to the client.

- A convenience driven activity service.
- A cost effective measure to ease financial pressures.
- No Off Site risk assessments required
- Transport costs are eliminated
- No additional teaching provision is needed to cover off site visits.
- Activities are adaptable to align with National Curriculum objectives.
- Programme capacity is not limited by transport seating or accommodation availability.
- Outstanding value for time – no time wasted travelling to and from venues.

The primary aim of this provision is to ensure affordable access to adventurous activities without geographic or financial barriers.

Activities include:

- Mobile Climbing and abseil tower
- Archery
- Team building tasks – (30+ engaging tasks)
- Bush Craft including fire lighting and shelter building
- Zip Line – depending on suitability of venue.
- Trebuchet
- Axe throwing
- Tree climbing
